

# CAREER COUNSELLING AND PLACEMENT CELL

## DERABIS COLLEGE, DERABISH, KENDRAPARA

### ANNUAL REPORT 2022 – 23

The Career Counselling Cell and Placement Cell of Derabis College conducted a series of initiatives to support final-year students in their pursuit of higher studies and government jobs. Students were provided with crucial information on postgraduate programs, competitive examinations, and career planning. Expert speakers, including academicians and professionals, guided the students on application processes, exam preparation strategies, and career opportunities in both the public and private sectors. These efforts resulted in a significant number of students expressing confidence in their career paths and a heightened awareness of the available opportunities for further education and employment in government services. The active participation of students and the dedicated efforts of the cell have significantly enhanced the career readiness and employability of our graduating students.

On October 19, 2022, Derabis College hosted a placement drive conducted by the Anudip Foundation, targeting +3 pass-out unemployed youths to enhance their employment prospects. The District Skill Development Officer, Deviprasad Routray, emphasised the importance of self-sufficiency and employment focus during his address to the students. The event was smoothly organised by Dhaneshwar Nayak, lecturer in Odia, and Gurucharan Sethi, lecturer in sociology, ensuring a seamless and productive experience for all participants. This initiative provided valuable opportunities for students to secure successful placements and benefit from the program.
